Facilities available	

*Thank you for booking a workshop. I do hope that a suitable date can be found. I look forward to meeting you.*

*Althea.*

Notes: Wombtwin workshops are mainly available in the UK but I am also prepared to travel abroad. The workshops are most effective with a group of 7-25. It is presumed that workshop participants will be willing and able to participate actively in group exercises or individual exercises that take place in the group. The material can be adapted for specific groups:

- Adult wombtwin survivors (over 18 years of age)
- Therapists in various disciplines:
  - Psychotherapy and counselling
  - Kinesiologists
  - Chiropractors
  - Other alternative therapists

I can facilitate workshops with young wombtwin survivors (aged 10-18) in the presence of another responsible adult who has been appropriately police checked. Wombtwin survivors under the age of 10 must have their parents present and participating in the workshop alongside their children.

I require a flat-rate fee plus travel expenses and overnight accommodation for venues more than 150 miles from St Albans, Hertfordshire. I am willing to facilitate full-day or half-day workshops, workshop weekends and co-facilitated workshops with others. Please contact me (01727 761719) if you require further information before booking.
